**RE: Asian American Pacific Islander Community Commission (AAPICC)**

Dear Honorable Members,

My name is Hardeep Sull and I am also known as Dee. I am applying to be appointed as a Member of the Asian American Pacific Islander Community Commission (AAPICC). I am a Sikh immigrant woman who has built her business from scratch and like many immigrants, we have been shaping the ever-dynamic Las Vegas landscape. I am an Immigration and Civil Rights Attorney and hold various positions of trust.

Since the Commission's inception, I too would like to conduct research and develop a cultural center for one of the most dynamic and energetic communities in Clark County. I think it is due time to host a resource conference.

I would like the to ensure that people know that Commission exists and this would entail engaging communities, including youth and elderly. As we are all aware, the youth are a conduit to their parents who may need assistance from time to time, especially when their English is more limited. I would like to involve more women of color that truly have a different perspective and ensure that their engagement is also valued.

The AAPI community is growing all over America but definitely in Las Vegas. The value of engaging with our community is two-fold: it builds trust and more innovation for our City and State. In the end, I see this position as a conduit to ensure that our city has a healthy and engaging relationship making our city better for it.

I believe that I am well suited to be appointed to the Asian American Pacific Islander Community Commission for the reasons I have discussed.

Should you have any questions, please do not hesitate to contact me at (702)403-4545.

With Gratitude,

Hardeep "Dee" Sull
